

## (7) LIBERATION MOVEMENTS

The pageant of twenty centuries comes alive in these colourful scenes and exhibits. Authentic illustrations portray copies of the Magna Carta and other relevant documents in the development of human society. The translator John Wycliffe, the martyred John Hus and others were forerunners of the Protestant Reformation.

**The Magna Carta  
King John, 1215 AD**

**John Wycliffe  
and  
First page of his  
Bible Translation**
